

Bariatric Surgery Questionnaire

for Aftercare Support From your GP

(Insert General Practitioner name here)

(Insert GP address details here)

The questions are listed in the left column and space for the responses you receive along with your personal notes have been provided to the right of each question. Blank boxes have been provided for additional questions you may want to ask.

When beginning your appointment let the General Practitioner know that you have several questions to ask.

Note the date, time, phone number and General Practitioners name for future reference:

Date & time of appointment: _____

This sheet is to assist you in researching the aftercare you may or may not be able access from your GP following private bariatric surgery in the UK or abroad.

Advice: Please visit and speak with your GP about the aftercare they and your CCG can offer you prior to making any decisions about undertaking private bariatric surgery or bariatric surgery abroad.

The questions below are listed in the left column and space for the responses you receive along with your personal notes have been provided to the right of each question. Blank boxes have been provided for additional questions you may want to ask.

*CCG - Clinical Commissioning Groups: clinically-led statutory NHS bodies responsible for the planning and commissioning of health care services for their local area.
